

Eminence Organic Strawberry Rhubarb Hyaluronic Hydrator

With a fresh, dewy finish, this vegan gel-cream rejuvenates the appearance of dull skin. Lightweight in texture, this hydrator pairs our innovative Botanical Hyaluronic Acid Complex with panthenol, strawberry and rhubarb to lock in moisture and reveal radiant-looking skin. Ideal for all skin types.

Key Ingredients

- Botanical Hyaluronic Acid Complex: unique blend of multi-weight Hyaluronic Acid and Marshmallow Root that deeply hydrates and preserves moisture in the skin
- Panthenol: reinforces skin hydration and prevents moisture loss by protecting the skin moisture barrier
- Plant Sugars: strengthen skin by optimizing moisture reserve
- Strawberry: naturally contains salicylic acid that gently exfoliates and removes impurities to brighten the look of the skin
- Rhubarb: contains polyphenols to rejuvenate and preserve youthful-looking skin

Apply a layer over the entire face, neck and décolleté area and leave on. For extra hydration, apply a thicker layer in dry areas.

- Skin feels plumped and refreshed
- Improves skin texture and luminosity
- Delivers intense hydration deep into the skin and helps to support the skin moisture barrier to hydrate and lock in moisture
